APRIL GRAND JURY FINISHES LABORS

Concludes Routine Duties
And Submits Formal Report
At The Close of First Day

April Superior court convened Monday morning and is at the present moment still grinding grist.

The grand jury, however, was more adept and completed its deliberations and submitted its formal findings at the close of the first day, as follows:

We, the grand jurors chosen and sworn to serve at the April term, 1948, of the Bulloch superior court, submit the following report:

We recommend that the county commissioners make further investigation regarding the hospital operation and the handling of the county funds and report to the July grand jury.

The chairing report made by the committee appointed at the January term of this court is hereto attached and marked "Exhibit A".

We recommend that these presentments be published in the county papers at the usual fee.

We recommend that Mrs. Minnie Lee Newton be paid the usual fee of \$5.00 from writing out the presentments.

We wish to thank Judge J. L. Rouse for his able chairing to the point which was "short and to the point."

We also thank the solicitor general, Fred T. Lanier, for his presence and able assistance in matters presented to this body.

Respectfully submitted,
D. P. AVEBETT, Foreman,
R. L. BRADY, Clerk.

"EXHIBIT A"

M. J. Bowen, S. J. Proctor and R. L. Lanier being the committee appointed by the last grand jury to make inspection of the county prison camp and make an inventory of the county's prison property, submit the following report:

We found forty-seven men in the public works camp; thirty-seven negroes and ten whites; forty-two sentenced by the state and five sentenced by the county. All men are well and on the road to work.

We found all equipment to be in good condition and very little depreciation noted.

We wish to commend Mr. Ellis, our county warden, for the splendid work he is doing for our county in the upkeep of our prison camp, and we wish to thank him for assisting us in this inspection.

Future Farmers To Enter Pig Contest

Future Farmers of America, representing fifteen Southeast Georgia chapters, will carry their pure bred pigs to Savannah Tuesday, May 4, to participate in the third annual area pig chain show sponsored by the Sears-Robuck Foundation.

According to V. D. Johnson, manager of the Savannah Sears store and general chairman of the show, the event will be held on the Sears parking lot and will get underway at 2 p. m. Two gilts and one boar from each chapter—eligible for the area competition by virtue of having won top honors in local shows—will vie for cash prizes totaling \$685.

The Brockett chapter will be represented at Savannah by Billy Newman and Billy Dan Thompson, who will show their prize gilts.

First event will be a pig chain judging contest. Official judging will begin at 3 p. m., with Jones Purcell, agricultural agent with the Central of Georgia Railway; C. E. Lloyd, agricultural agent with the Seaboard Railway; and W. E. Pace, Tattall, acting as judges.

The prizes will be awarded by Mr. Johnson at 4:05 p. m.

All of the forty-five pigs which will be on display were donated by Sears to the Future Farmers for breeding through a giant state-wide pig chain project to stimulate the development of pure bred herds of swine.

Exhibitors will be competing for one of the ten blue ribbon awards and \$22 in cash and for a sterling silver trophy which will be awarded to the team which will win the blue ribbon and \$15, and ten white ribbons and \$10.

In the competition for the blue ribbon will be five blue ribbon awards of \$18 and a silver trophy for the grand champion, five red ribbon awards of \$5.00.

There will also be awards of \$25, \$15 and \$10 for the top three chapter exhibits or groups of two gilts and one boar; a loving cup for the best chapter judging team, and ribbons for the boys who place first, second and third in the fitting and showmanship competition.

The Savannah show is one of nine state events which are being held over the state. One hundred forty-six of the state's 264 F.F.A. chapters are now participating in the pig chain project.

Chapters participating in the Savannah show are Brooklet, Claxton, Register, Nevis, Portal, Reidsville, Greenville, Stillson, Sylvan, Newington, Springfield, Collins, Metter, Emanuel County Institute and Wayne County High.

We are taking this method by which to express our deepest appreciation to those friends and neighbors, and the doctors and nurses at the hospital, who were so kind to our dear husband and father, J. H. Cribble, during his recent illness and to us in our sorrow at his going. We shall never forget these manifestations of friendship for him and us.
